**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I support broadband competition. Competition is what this country is about. Former copper wire to amazing fiber product. Excellent competitive phone service as a result as well. NO prices hikes that will increase our internet and landlines costs. No oligopolies! Thank you for your consideration.
